Career Development Learning Activity

Start Date: 22nd June 2025

End Date (if known):

Your role at the placement (position): Intern

Brief description of your work at the placement:

During my placement at GMST, I will be working as an intern focusing on frontend development and marketing. I will assist in developing responsive web pages using HTML, CSS, and JavaScript frameworks. Additionally, I collaborate with the design and backend teams to enhance user experience and ensure that the website works smoothly.

My responsibility also includes creating digital content for social media platforms. I handle posting on our social media pages, making sure everything looks good and is posted on time. I also work with analytics-related tasks by tracking performance of the post and audience engagement to help optimize future content strategies.
